

ADMISSION WAITING LIST POLICY

All applications to Our Lady of Hope Catholic School must be accompanied by the non-refundable Application Fee and the necessary papers for admission. Students not accepted because of lack of space are placed on a waiting list. The following procedures are then applicable:

1. Names are placed on the waiting list in order of date or receipt of full paperwork and Application Fee.
2. Because we are a parish-supported school, fully registered parishioners are given priority in order of date of completion of full application process. Out-of-parish Catholics are given space as available strictly by date with the above mentioned exception.
3. Names are retained on the Waiting List from one school year to the next without additional payment of the Application Fee.

Our Lady of Hope Catholic School does not discriminate based on race, color, gender, or national origin.
