

Our Lady of Hope MATH CLUB

For 3rd - 5th Grade Students

Meetings:

Every other Tuesday after school (3:15-4:00pm)

First meeting is Tuesday, September 8th

Last meeting is Tuesday, June 1st

No meeting on December 29th (Christmas break)

About OLOH Math Club:

Intended to encourage a love of math, the OLOH Math Club hopes to boost your confidence, enhance problem-solving skills, expose you to math in the community, develop teamwork skills and most importantly, make math fun!

Each meeting will begin with a Brain Warm Up followed by practice problems and working together on a math riddle.

Please note: this is a student club, not a tutoring group.
